TESTIMONIALS

"Amanda Lee School of Dance is a well-rounded, enjoyable dance experience for any child wanting to learn the art of dance. They welcome all dancers, offer a great variety of classes and I have always felt welcome and valued as a parent at the studio. I would highly recommend ALSOD to anyone interested in dance whether you are just starting out or have been training for years." - **Tony**

"The team at ALSOD provide a nurturing and supportive environment for my Pre-School dancer! I love knowing she is well taken care of in her classes whilst having fun and gaining confidence helping her get ready for big school." - **Stephanie**

CLASS STYLES

JAZZ

Jazz is a fun, energetic and dynamic style of dance that is great for all ages. Each Jazz class is highly engaging, having a strong emphasis on musicality, technique and coordination. Appropriate Jazz foundations and skills are taught to each age group where we focus on building confident dancers in an inclusive environment.

CLASSICAL BALLET

Ballet is an inspiring style of dance known for its elegance, precision and strength. The art of ballet is continually evolving and provides an excellent grounding that translates across all styles of dance. We offer the Royal Academy of Dance Classical Ballet Syllabus, which is recognised worldwide as the leading organisation for classical ballet education. Students are taught more traditional styles of ballet, such as Character if they undertake Exams.

LYRICAL

Lyrical and Modern Expressive is an extension of Classical Ballet that is comprised of fluid movements. Lyrical combines many of the technical elements of ballet, with the freedom and expressiveness of modern dance. This style primarily focuses on demonstrating emotion through the interpretation of music.

CONTEMPORARY

Contemporary dance is based around classical techniques and the discipline of distinct, unique and versatile movements. Contemporary dance explores creative choreography with the aid of music to build dynamics and strengthen story telling and self expression.

HIP HOP

Hip Hop refers to choreographed movements that have evolved from hip hop culture, encompassing a wide range of dance styles and music. These primarily include popping, locking, breaking, funk styles and lyrical hip hop. Hip Hop allows students to explore their own creativity and freedom within the style.

CLASS STYLES

PRE-SCHOOL DANCE

Our Pre-School Dancers have their own program that is specifically designed for Pre-School aged children from 2 years of age. Our classes age appropriate focus on learning the foundations of Ballet, Jazz and Acro technique as well as guiding students to develop gross motor skills, musical awareness and coordination.

TAP

Tap is a traditional style of dance that is characterised by the percussive sounds of a tappers shoe striking the floor. Our structured tap classes focus on technique, musicality and coordination and our Advanced students are challenged with optional Glenn Wood Tap Syllabus Exams.

ACRO DANCE

Acro Dance is a genre of dance which seamlessly fuses elements of lyrical tricks, balancing, tumbling and jazz helping to create versatile dancers. Our classes follow the Acrobatic Arts Syllabus where students are able to progress through class levels and skills as they advance. Students must develop a good foundation of strength and flexibility to achieve new skills, and with a steady approach students will reach their goals safely and effectively with correct technique.

STRETCH + TECHNIQUE

This technique class is designed to improve student flexibility, core strength, balance and range of skills. Students are taught the correct methods of stretching and what particular stretches benefit them in aid to perform a particular skill. This class is recommended for all performance students.

PERFORMANCE

ALSOD offers a number of performance classes and opportunities available to select dancers wishing to perform and compete both locally and interstate. These classes include Solo, Duo, Trio, Private Coaching, Mini Troupe and Troupe classes. Please contact us to express your interest in our performance classes.
